NEW ENGLAND YEARLY
MEETING OF FRIENDS

YEARLY MEETING,
SIXTH MONTH, 1866.

"To the Yearly Meeting:

Dear Friends,—The Committee appointed to superintend the Boarding School, during the past year, report, that in the summer term of the School there were in attendance one hundred and ten pupils, viz.: sixty-seven males and forty-three females; and in the winter term, one hundred and sixty-four, viz.: ninety-nine males and sixty-five females.

The officers of the Institution have been, Albert K. Smiley, Principal; Alfred H. Smiley, Associate Principal; Rebecca H. Smiley, Principal of the Female Department; John F. Rowell, Bessie T. Wing, Mary A. Cornell and Amey E. Johnson, teachers in the English branches; Elijah Cook, teacher of Mathematics; William B. Phillips, teacher of ancient and modern Languages; and Mary A. Potter, teacher of Drawing. Under this organization, which has continued the same as it was at our last report, the interests of the Institution, in every respect, have received careful and satisfactory attention.

Meetings for worship have been regularly held at the School house, on First day mornings; and we reverently trust, through Divine mercy, these religious opportunities have been blessed. The scholars continue to attend Friends' Meeting, in the city, on First day afternoons and in the middle of the week. The Holy Scriptures have been daily read in a collective capacity, and a knowledge of their invaluable contents has been further promoted by class exercises.

The health of the inmates of the Institution has been uncommonly good during the past year. Careful and regular gymnastic exercises have continued to claim the attention of the officers of the schools. On the 12th of 8th month, one of the pupils, Eugene Ball, son of Nicholas Ball, of New Shoreham, R. I., fell from a tree receiving internal injury which resulted in death about eight hours after. The following minute concerning this impressive event was made on our records: 'We note, with feelings of solemn interest, the information conveyed in the report from the Principal, of the sudden removal from time to eternity of a dear pupil. While we sympathize with the afflicted family of the deceased, we are comforted in the trust, that through the mercy of God in Jesus Christ, their sore bereavement is his great gain.'

By the report of the Committee to examine and settle the accounts of the Institution, it appears that the whole income for the past year exceeds the amount expended by five thousand dollars, which enables us to propose a reduction in the prices of admission.

Under the authority given us by the Yearly Meeting last year, we forwarded in the 9th month, copies of a printed circular to all of our Monthly Meetings, informing of a reduction in the rates of admission, which took effect at the beginning of the winter term, as follows, viz.: 'For members of our Yearly Meeting, $65 per term; for members of other Yearly Meetings, and when one or both parents are members of our religious Society, or scholars are sent at the charge of such, $100 per term, and for any others who many be admitted, $150 per term. The same additional charges of five dollars for Latin and Greek, French, German, or Drawing, as heretofore.'

The subject of the present division of the school year into two terms, with vacations of nearly equal length in the spring and autumn, has claimed our careful consideration. This arrangement continues the school in operation during all the warm season of the year, when study cannot be pursued advantageously, nor without the risk of affecting the health. From many parents we have received the expression of a desire that a change might be made, and, as far as we know, it would be satisfactory to all. After mature deliberation, we have come to the conclusion to propose to the Yearly Meeting that the academical year in 1867 should commence on the first Fourth day in the ninth month, and continue twenty weeks, to be succeeded by a second period of twenty weeks, after a recess of two weeks. It is very desirable that the pupils should enter for the full year, as they would receive much greater proportional advantages than by continuing but half of the time. While we earnestly recommend this course, when practicable, we do not propose at present that it should be made obligatory, but that liberty should be granted for withdrawal from the school at the commencement of the recess, when application is made therefor at the time of admission. The ensuing year must necessarily be exceptional. The present term closes on Fourth day, the 26th of 9th month, and the school re-opens on Fourth day, the 31st of 10th month; and we propose it should continue sixteen weeks, and, after a recess of two weeks, re-assemble and continue sixteen weeks more, closing on Fourth day, the 26h of 6th month, 1867.

The charge for the ensuing school year of thirty-two weeks we propose should be as follows, one-half payable at the commencement of the school, and one-half at the re-opening after the recess, viz.: For members of our Yearly Meeting, $96; for members of other Yearly Meetings, and when one or both parents are members of our religious Society, or scholars are sent at the charge of such, $150; and for any others who may be admitted, $240. An additional charge of $10 for instruction in Latin and Greek, French, German, or Drawing.

Applications for admission into the school for the next school year, should be made seasonably for the meeting of the Committee, on the 25th of 9th month next. Those who are members of our Yearly Meeting will have precedence of all others, after which applications will be considered in the order in which they are received. Those who desire the benefit of the 'Charitable Fund,' or of the 'Jacob Metcalf Donation,' should apply at the time above specified; and in all these cases information is desired of the age, moral habits, and literary acquirements of the applicants. Applications for admission are to be made to the Principals. Address, Albert K. Smiley, Principal of Friends' Boarding School, Providence, R. I.

In a review of the past year, we do gratefully acknowledge that we have had evidence that our Heavenly Father has remembered us, and that the Institution continues to be a blessing to many.

Signed on behalf of the School Committee.

GILBERT CONGDON, Clerk.

Providence, 5th month 8th, 1866."
